*Cheyenne holds the Biltmore Estate in the palm of her hand!*

## It started way back in 2019.

Ms. Bethany, one of the house parents of Exodus cottage, started a reading program with the girls.

Cheyenne was one who loved to read! When she continued reading well past the others, Bethany decided that instead of buying her a prize every month, they should come up with something to do – an experience rather than a thing. She said she'd always wanted to go to the Biltmore Estate. It was decided that if she read for 1,000 days (yes, ONE THOUSAND) that Bethany would take Cheyenne to the Biltmore Estate. Cheyenne did, and so Bethany did on January 16. Needless to say, Cheyenne loved it and was thrilled!

*She got baptized, too!*

## BUT WAIT! There's more!

Cheyenne has also overcome her fear of water over the past couple of years.

**She was baptized on January 29!**

We interviewed Cheyenne back in February 2021. **Read it on our website**

**Your support has played a huge role in Cheyenne's success!**

## New Smiles at Joy Ranch

Kaitlyn and Junior joined us recently and are such a joy to have. Kaitlyn's brother, Isaiah, was already a resident, so the two have been reunited. Kaitlyn is showing talent in cooking & art. Junior loves working with his hands and helping our maintenance staff!

**Thank you for giving!  
Our kids enjoy fun-filled days because of generous folks like you.**
